### **June 22, 2022 - A Message from Dr. Hal Harrell, Superintendent**

From the beginning of this horrible event, I shared that the district would wait until the investigation was complete before making personnel decisions. Today, I am still without details of the investigations being conducted by various agencies. Because of the lack of clarity that remains and the unknown timing of when I will receive the results of the investigations, I have made the decision to place Chief Arredondo on administrative leave effective on this date.

Lieutenant Mike Hernandez will assume the duties of the UCISD Chief of Police. We will continue to seek qualified candidates to join our police department as we prepare for the new school year.

There will be no further information released regarding this personnel matter.
