To my Uvalde Community,

As we continue to grieve over the tragedy that occurred on May 24th, we pray for the families affected and our entire community. Uvalde has a rich history of loving and supporting thy neighbor and we must continue to do so. In speaking with other communities that have had similar tragedies, the guidance has been the same - continue to support the families, continue to support our community and, above all, to keep strong in our faith.

As I think about my life, from growing up as a child and into adulthood, Uvalde has held an attraction that is incredibly unique. At the center of that attraction, is our community members. Together, we will keep Uvalde strong.

Lastly, after much consideration, it is in the best interest of the community to step down as a member of the City Council for District 3 to minimize further distractions. The Mayor, the City Council, and the City Staff must continue to move forward to unite our community, once again.

God bless Uvalde.
