### October 6, 2022 - Uvalde CISD Statement

We are deeply distressed by the information that was disclosed yesterday evening concerning one of our recently hired employees, Crimson Elizondo. We sincerely apologize to the victim's families and the greater Uvalde community for the pain that this revelation has caused.

Ms. Elizondo's statement in the audio is not consistent with the District's expectations. Effective today (October 6), Crimson Elizondo has been terminated from her position with the Uvalde CISD.

Regarding the remaining UCISD Police Department employees, we continue to make personnel decisions based on verifiable information. An independent investigation is underway to evaluate the actions of the current officers on May 24, 2022. Additionally, we are awaiting results of a management and organizational review of the UCISD Police Department that will aid the district in taking informed actions to further ensure the safety and security of our schools.

This is all the information we have at this time. We will provide update(s) as information becomes available to us.
