Additionally, it provides access to images from accounts and hashtags beyond those we directly follow.

Beyond this feature, we also have 50 professional photoshoots planned over the next year to capture local events, attractions, restaurants, and more. This content will help us market Uvalde County as a year-round, overnight tourist destination.

# HOT TAX PROPOSED UPDATE

## Bill Overview:

The proposed legislation seeks to update the allocation of Hotel Occupancy Tax (HOT) funds in Uvalde County to align with the majority of Texas cities and counties [Section 351.101(a) of the Texas Tax Code]. This change would allow for a more flexible and strategic use of HOT revenues to support tourism growth and economic development.

## Current Code:

- 75% of HOT funds must go to promotion of tourism and lodging in unincorporated areas.
- 25% is designated for:
  - Trash removal in state-owned rivers and riverbeds.
  - Maintenance of litter containers near lodging areas.

Change the 75% to 

## Section 351.101(a) of the Texas Tax Code restricts HOT revenue use to:

- Promoting tourism and the hotel industry.
- Advertising and marketing efforts.
- Supporting visitor centers, convention centers, and sports facilities.
- Historical restoration and preservation.
- Tourism-related transportation.
- Hosting events and festivals that increase overnight stays.

## Proposed Changes:

- Expand HOT fund use beyond marketing to event hosting, infrastructure improvements, and tourism-related enhancements.
- Boost overnight tourism by investing in experiences that attract visitors.
- Align Uvalde County's HOT fund usage with most Texas counties.

## Why This Matters:

- **Consistency Across Texas:** Ensures fairness and competitiveness in tourism development by aligning HOT fund usage with most Texas counties.
- **Greater Impact on Tourism:** Allows direct investment in events and infrastructure that drive overnight stays and visitor engagement.
- **Economic Growth:** Supports local businesses and accommodations by more ways of attracting overnight tourists.

# MARKETING & WEBSITE

## **Rebranding Uvalde County**

Visit Uvalde County explored several branding agencies as part of our rebranding efforts. Our goal is to refresh our branding to better reflect the unique experience of Uvalde County. We aim to refine our tone, messaging, and overall marketing approach to truly capture the essence of our rivers, nature, wildlife, and serene atmosphere.

After careful consideration, we have partnered with Stav Creative to bring our new brand vision to life, with an official launch planned for March 2025.

## **Ad Agency**

Visit Uvalde County partnered with MediaOne as our advertising agency for Q4 2024 and Q1 2025 while we evaluated bids from various agencies. MediaOne played a key role in significantly expanding our reach, increasing website traffic by more than seven times. As we move forward, our primary focus is driving bookings for 2025.

## **Website Updates**

After a thorough evaluation of our website, we identified and corrected minor discrepancies to ensure all information is accurate and up to date. While we believe everything is current, we encourage local lodges and businesses to review their listings and notify us of any needed updates.

# DIRECTOR OUTREACH

## Coffee & Donuts with the Director

Each Thursday through the end of the year, Hailey Conrad, Executive Director, was available to meet with locals, businesses, and lodging partners to answer questions and discuss THCRR initiatives. While participation was limited, those who attended brought insightful questions and appreciated the opportunity for an informal, open conversation. We hope to continue this initiative in the coming year, whether weekly or in a modified format.

## Lodging Partner Visits

Hailey Conrad made multiple attempts via mail and email to schedule site visits with Lodging Partners. By the end of the year, she had visited or met with nearly 20 properties. She plans to continue these efforts in 2025. During these meetings, she reviewed HOT tax codes, Lodging Partner benefits, Texas Hotel & Lodging Association benefits, and the various ways the Visitor Center can support their businesses.

Report**

Constable Precinct 6**

## Racial Profiling

The Uvalde County Constables Office Pct. 6 strictly prohibits peace officers employed or holding a reserve commission by the agency from engaging in racial profiling. The chief administrator affirms that the agency complies with the Texas Racial Profiling Requirements shown below. In addition, this agency **did not** receive any complaints with respect to racial profiling.

Texas Occupations Code 1701.164 specifies that TCOLE collect incident-based data in accordance with the Code of Criminal Procedure Article 2.131 – 2.138. Chief administrators of law enforcement agencies that meet the criteria must submit racial profiling reports to their governing body, as well as TCOLE.

**Each agency must file an annual online report** by selecting and completing the reporting option that applies to their particular situation. Reports are filed online through TCLEDDS. The reporting period for the **previous** year begins on January 1<sup>st</sup> and ends March 1<sup>st</sup>.

The Reporting options are:

1. **Exempt** - Agencies that do not routinely make motor vehicle stops should fill out the 1 page online exempt status form. The exempt status report contains agency general public contact information for questions about its racial profiling filing status. Some agencies are not required to file annual reports. A statistical analysis is not required on EXEMPT STATUS.
2. **Full Reporting** - Agencies that routinely perform traffic stops or motor vehicle stops must file by online report. **The online report requires the completion of agency general public contact information and requires completion of both:**
  - A. An online form about the numbers of motor vehicles stops made and
  - B. uploading a separate PDF comparative analysis document containing a statistical analysis of its motor vehicle stops compared to the gender and ethnic population of the agency's reporting area. The second document must also contain a statement as to if racial profiling complaints were made against the agency and if so, a listing of all racial profiling complaints and the corresponding resolutions. [Click here for more information](#)

**Please be advised that failure to submit the required report within the designated reporting period may result in license action against the chief administrator and/or civil penalties against the agency under CCP 2.134(g) and 2.1385(a), respectively.**

**Uvalde County Constable Precinct 6  
Racial Profiling Complaint Form**

**Definition of racial or biased based profiling**

A law enforcement-initiated action based on an individual's race, ethnicity, sex, gender, age, religion, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity. Racial or biased based profiling pertains to persons who are viewed as suspects or potential suspects of criminal behavior. The term is not relevant as it pertains to witnesses, complainants, persons needing assistance, or other citizen contacts.

**Acts constituting racial or biased based profiling**

Acts initiating law enforcement action, such as a traffic stop, a detention, a search, issuance of a citation, or an arrest based solely upon an individual's race, ethnicity, sex, gender, age, religion, or national origin or on the basis of racial, ethnic, or any other stereotypes, rather than upon the individual's behavior, information identifying the individual as having possibly engaged in criminal activity, or other lawful reasons for the law enforcement action.

**Instructions**

Please write a brief narrative of your complaint as neatly and as detailed as possible in the space provided. Include all the details of the incident involving the alleged racial profiling. You may also use additional sheets of paper if necessary. Please print. Please make sure you sign and date your statement in front of a Public Notary. This form can be mailed to Constable Precinct 6, 339 King Fisher Lane, Uvalde, TX 78801.
